

## Tell Scotiabank - Divest from Elbit Systems, Stop Supporting Genocide!

- Scotiabank is the largest foreign shareholder in Elbit Systems with a stake of \$500 million
- Elbit Systems is an Israeli weapons manufacturer that produces drones, weapons systems and munitions used in Israel's colonisation and occupation of Palestine
- Elbit made weapons are being used every day in Israel's genocidal attack in Gaza which has killed more than 30,000 Palestinians and injured 70,000

- Among other weapons, Elbit manufactures the Hermes 450 drone which for the last 5 months has been used to drop bombs on Palestinian civilians in Gaza
- Numerous banks and investment funds have already taken the decision to divest from Elbit Systems including the Norwegian Pension Fund, U.K.-based HSBC, the Danske Bank and the Australian Sovereign Wealth Fund
- Scotiabank can and must divest too!

## Take Action:

- Sign onto the cross country letter writing campaign initiated by the Canadian BDS Coalition.
- If you are a Scotiabank account holder, close your account and tell the manager at your branch that you won't be complicit in Israeli war crimes
- Join local campaigns for Boycott, Divestment and Sanctions against Israel in solidarity with the Palestinian people
